ABOUT THE 37TH ANNUAL MRC CONFERENCE

On the heels of securing funding for recycling and industry oversight at the end of 2018, Michigan recyclers are focused on the challenges that unite us and soon, on the opportunities that funding provides us. Michigan businesses and organizations are wondering what this all means to them. Join colleagues at the 37th Annual Conference to get questions answered and find a new way forward. This year's signature event will aim us at the work ahead – continued advocacy, tackling recycling market challenges, filling gaps in infrastructure, addressing increasing costs of service, and sorely needed education. The Department of Environmental Quality will host a track of sessions designed to help Michigan recyclers and composters understand the State's priorities and step up to long-awaited changes in planning and composting regulations. Throughout the conference the MRC will catalyze and elevate a conversation that continues to shift our focus toward productive materials management.

PROCLAIM & REMIND

Recycle, MI is the Michigan Recycling Coalition's statewide recycling outreach campaign. Connect your program to the statewide effort to raise awareness about the value of recycling and move Michiganders to recycle at home, at work, and at play. Visit www.RecycleMichigan.org to learn about the Recycle MI Partner Program and get access to outreach materials, products, and other available campaign tools.
